

UNLOCK the mysteries of interviewing!

Practice is the KEY to success!

Every semester the Business Career Services Center (125 Summerfield) arrange for employers from around the area to come on campus and facilitate mock interviews with our Business students. Mock Interviews last a total of 45 minutes, using a behavioral style format at the beginning and then employer feedback/advice at the end. Space is limited and students must sign up in advance via KU Career Connections.

Students may sign up to practice their interviewing skills with the employers that they are most interested in or match their particular major best. Interviewing is a skill that improves through practice. Don't let this opportunity pass you by!

If you have questions about Mock Interviews or don't know when they are schedule for, contact the BCSC at bcsc@ku.edu or 785-864-5591.
