

10 Year Transfer Credit Rule

Transfer business school credits are limited to a 10 year time span to when the student begins the academic career in the School of Business. For example, if a student completed an ACCT 200 equivalent at JCCC in the Fall of 2001 and enter into the School of Business in the Fall of 2011 we will accept this credit as fulfilling a required course.

Effective: 3/3/11
