

## **Credit/No Credit Guidelines**

The credit/no credit option available to all students may not be utilized on any of the following:

- Business or economics courses
- ENGL 101 and ENGL 102
- COMS 130 (or ENGL 200+)
- PSYC 104

If a student does elect credit/no credit for a pre-admission course, all courses assigned with “credit” will be calculated as a “C” for determining a professional GPA for admission purposes.
